ICC 2019-2020

Guide for Clubs/Activities for the 2019-2020 School Year

OVERVIEW & PURPOSE

The purpose of ICC this year is to create compatibility between the Clubs, Leadership and the Student Body.

HOW DO CLUBS CREATE AN EVENT?

1. This year in order to put on a club fundraiser or event you will need to submit a google form in order to do so!
2. Why? We want everyone to get the most out of their fundraisers and drives and when there are a bunch going at one time it doesn't make much sense! So, we are trying to plan out drives and events!
3. GOOGLE FORM FOR EVENTS : https://docs.google.com/forms/d/e/1FAIpQLSe0H0QJnmclQSQzSrq5q5oQoSuD2J0R_XdgaGvhojAg68wVAA/viewform?usp=sf_link

HOW DO CLUBS GAIN MORE MEMBERS?

1. **Social Media!** Create a social media page that people can follow & post regularly about meetings and things going on in the club!
2. Talk to People! Inviting people is one of the best ways to get people to come to things!
3. Create flyers/banners! Post meeting dates in classrooms, bathrooms, hallways, etc!
4. After Club Rush make sure to stay in contact with people that said they were interested in your club! Send emails, reminders, etc.
5. ICC will be creating a massive club meeting calendar for the whole student body to have access to so make sure that we are up to date on your meeting date & place!
